# *State of Nevada - Initiative Petition – Constitutional Amendment*

EXPLANATION: Matter in ***bolded italics*** is new language to be added to the Nevada Constitution by this Amendment. Matter in strikethrough is existing language in the Nevada Constitution to be deleted by this Amendment.

The People of the State of Nevada do enact as follows:

**Section 1:** Article 11 of the Nevada Constitution is hereby amended by adding thereto a new section to read as follows:

- 1. No later than the school year commencing in 2025, and on an ongoing basis thereafter, the Legislature shall provide by law for the establishment of education freedom accounts by parents of children being educated in Nevada. Parents shall be authorized to use the funds in the accounts to pay for the education of their child in full or in part in a school or educational environment that is not a part of the uniform system of common schools established by the Legislature except that the Legislature may limit eligibility to participate in the program to parents of children eligible to enroll in kindergarten and parents of children who enroll in the uniform system of common schools for a specified period of time prior to establishing an education freedom account not to exceed the entirety of the preceding school year. The Legislature shall appropriate money to fund each account in an amount comparable to the amount of funding that would otherwise be used to support the education of that child in the uniform system of common schools.***
- 2. Severability.** Should any part of this Act be declared invalid, or the application thereof to any person, thing or circumstance is held invalid, such invalidity shall not affect the remaining provisions or application of this Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable. This subsection shall be construed broadly to preserve and effectuate the declared purpose of this Act.

## **DESCRIPTION OF EFFECT**

The initiative requires the Legislature to establish an education freedom account program under which parents may spend money appropriated by the Legislature to pay for part or all of their child’s education outside the public school system. The Legislature may limit eligibility in the program to parents of children eligible to enroll in kindergarten and parents of children who enroll in the public school system for a specified period of time preceding establishment of an education freedom account not to exceed the entirety of the previous school year.

The initiative will result in the expenditure of state funds to fund the accounts in an amount comparable to the public support that would support the education of the child for whose benefit the account has been established in a public school. For Fiscal Year 2021-2022, the Legislature determined the statewide base per pupil amount to be \$6,980 per pupil. For Fiscal Year 2022-2023, that amount is \$7,074 per pupil. Generating the revenue to fund the accounts could necessitate a tax increase or a reduction in government services. The Legislature must establish the program by the start of the school year that commences in 2025.
