

FINANCIAL IMPACT OF THE STATEWIDE CONSTITUTIONAL INITIATIVE PETITION –
IDENTIFIER: C-06-2022

The Statewide Constitutional Initiative Petition – Identifier: C-06-2022 (Initiative) proposes to add a new section to Article 11 of the *Nevada Constitution* requiring the Legislature to provide by law for the establishment of education freedom accounts by parents of children being educated in Nevada and to appropriate money to fund each account in an amount comparable to the amount of funding that would otherwise be used to support the education of that child in the uniform system of common schools.

The Initiative authorizes parents to use the funds in education freedom accounts to pay for the education of their child in full or in part in a school or educational environment that is not a part of the uniform system of common schools established by the Legislature, except that the Legislature may limit eligibility to participate in the program to parents of children eligible to enroll in kindergarten and parents of children who enroll in the uniform system of common schools for a specified period of time prior to establishing an education freedom account, not to exceed the entirety of the preceding school year.
