Candidate Statement

Provide a candidate statement not to exceed 200 words in length.

A district judge hears a mix of criminal and civil cases, and my extensive experience in both has prepared me to be a fair and objective judge. In my 23-year career, I've participated in more than 40 jury trials, and I will bring my wealth of courtroom and trial experience with me to the bench. As a judge, I will treat all the people before me in an unbiased, respectful fashion and will base my decisions on the facts and the law. It is important for me to instill confidence in the judicial process by helping our citizens resolve disputes.

My career has always been led by my passion for protecting Nevadans. This passion has led to many substantial triumphs for this State, including opioid settlements of over \$1.1 billion that will allow Nevadans to combat the devastating opioid epidemic. As your District Court Judge, I will bring the same passion to the bench – never settling for the status quo and instead working for improved access to the court, judicial programs that will aid our most vulnerable, and a system that will afford justice to each and every citizen in Carson City, Storey County, and the State.
