Re: Withdrawal of Referendum Petitions filed on March 3, 2008
Stop Special Interests from Destroying the Initiative Process
Save Our Right to Amend the Constitution

Dear Secretary Miller:

Because of the Federal lawsuit filed by the PEST Committee against the State of Nevada challenging the constitutionality of NRS 295.009 and NRS 295.061, on behalf of the Committee to Save the Citizens' Rights to Amend the Constitution, we will not be going forward with our two Referendums and wish to withdraw them at this time.

Depending on how the Federal Judge rules in this case, we will decide whether to go forward with a Referendum or Initiative regarding the necessity of removing the Single Subject Rule from Nevada Law.

Thank you for your professional courtesies in this matter.

Sincerely,

Law Offices of Kermitt L. Waters
